WorldMags®

As it applies to a woman, voluptuous means "to have pleasing curves." Well we guarantee that you'll be *more* than pleased with the stacked and sexy girls inside this bold and bodacious issue. In fact, we suggest you proceed with caution as these ample assets and swervy curves may be dangerous and potentially addictive.

LETTERS OF THE MONTH

My favorite from *Sexy Summer Girls* was cover girl Eliza Carson. Her photos were awesome—she has incredible legs to go with an amazing smile! ...adventure84

Simply sexy, naturally beautiful sums up 2010 Model of the Year Beth Williams in four simple words. It's good to know someone at SE has their eyes screwed into their sockets. Cheers! ...J.B.

Talia Kristin is a dangerously hot, adorable petite babe—and we need to see much more of her in the SEs and in the Playboy Girls Network! ...ceifer

Julri Waters and Julia Morse are the most erotic women to grace the pages of Playboy SE in a long time. Both of them should become Playmates ASAP! I don't know what both of these beauties possess but the sexiness they exude certainly excites the male consciousness. ...Tom
